Jim,

Here is the email, attached, provide some background.

PA0000306310	3	FORMER MEDIA NIKE MISSILE BATTERY PH- 75/78 CONTROL AREA	1011-1017 DELCHESTER ROAD	NEWTOWN SQUARE	PA	19073	EDUCATION	CERCLA 103	17	Update #34
--------------	---	--	---------------------------------	-------------------	----	-------	-----------	---------------	----	---------------

From Region

The second site I've known about for a few years now and just kept delaying it's listing on the Docket. It's also a former NIKE site that is still owned by the federal government, ownership which is muddy. Tax records show Department of Education owns it but the Army Corp is the responsible agency as they are doing an RI/FS pursuant to it being a FUDS and the NPS is a proxy for Education to ensure the clean-up continues so they can transfer the property to private ownership at some point. Again, a PA submittal here won't result in additional Superfund assessment but likely an OCA-FF lead decision.

Thanks,
